Dear WMEL Customer,

This letter is to inform you of a new line item that will be in effect February 1<sup>st</sup>, 2018. In our January board meeting, the board approved a \$0.01 per 100-gallon charge for the Carbon Replacement Fund.

This money will be designated for replacing our carbon filters that went online October 2016 in accordance with removing PFC's to meet EPA's Health Advisory. As utility costs throughout the industry continue to rise, WMEL is committed to managing those costs and staying efficient while upholding WMEL's commitment to WMEL's customers.

If you have questions about the line item charge, please contact WMEL at 256-355-3746, Monday through Friday 7:30 am to 4:30 pm.

Thank you,

West Morgan-East Lawrence

Water and Sewer

General Manager
